RCSI GRADUATE ENTRY PROGRAMME OPEN DAY 25TH JANUARY 2014

'A DAY IN THE LIFE OF AN RCSI GEP STUDENT'
CONNOLLY HOSPITAL BLANCHARDSTOWN

RCSI DEVELOPING HEALTHCARE LEADERS WHO MAKE A DIFFERENCE WORLDWIDE

Invitation & Event Details

Dear Applicant,

Thank you for your interest in the RCSI Graduate Entry Programme (GEP). We have reserved a place for you on Saturday 25th January between 9:30am and 3:30pm. As there is a Waiting List for this event, we would be grateful if you would now confirm your attendance by contacting the RCSI Admissions Office (details at the bottom of the page).

The RCSI GEP Open Day is designed to provide prospective students with a taster of 'a day in the life of an RCSI GEP student', sampling facilities and activities used by RCSI GEP students.

Cardiology is the theme for the day and will commence with an interactive session led by a consultant cardiologist and one of his patients. Attendees will then break into small groups and rotate through 5 separate 30 minute interactive discovery sessions at which they will get a chance to:

- Experience the technology and techniques used in the diagnosis, treatment and management of cardiology patients
- Evaluate the importance of good communication skills in the doctor-patient relationship
- Interact with some of the IT tools used to train RCSI medical students
- Question current GEP students about their experiences

Coffee and lunch will be provided and there will be access to GEP staff and students throughout the day if you have any questions.
